There's a terrible bug!
Kami-nii-sama! Help!
WHAT...?
THIS IS...
MY JOB.
WHO IS THE MAKER? WHAT'S THE TITLE OF THE GAME? ELSIE! WE'RE GOING TO BUY IT BEFORE THEY RECALL IT!
Hawawa- ummm no

IF YOU SAY "BUG", WHY AM I SUPPOSED TO THINK IT'S ANYTHING OTHER THAN IN A GAME?
WHAT A MIS-LEADING GIRL...
ESSENTIALLY, THE ESCAPED SPIRITS YOU CAPTURED LEFT SOME PART OF THEM THAT IS RUNNING RAMPANT.
Hau~
Yes, what you said
Not really the escaped spirit itself, but somehow the essence of the escaped spirit can return
I'm going to be scolded, nii-samaaaa.
While the spirit was in the gap their hearts, it absorbed the food they ate Using that, it then leaves a remnant in their bodies that is acting like a gland
But, you can't use the normal method to remove it.

HMM.
THEN, HOW DO YOU REMOVE IT? IT'S DIFFERENT FROM NORMAL METHODS, CORRECT?
Whatever is clouding their bodies them must be cleansed!
THAT SOUNDS FORCE-FUL...
W-well
MM...
SNEAK...

Ha-
Ha-
What do I do what do I do?
I've been discovered
Awa-wa~
Nii-sama-! That was Kanon-chan♡!
We don't even have to spend time looking for her! Quickly, talk to her and help her clear the cloudiness in her heart
Oh before I forget an autograph, an autograph! Now where did I put my glossy picture♡
Abababa bababababa bababababa bababababa babababa
